

The California League of Bond Oversight Committees' First Newsletter

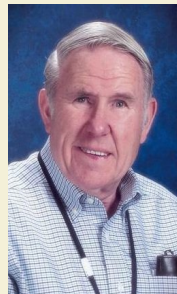

Dear Linda

Welcome friends and colleagues to the distribution list for the **Review**, the CaLBOC newsletter. We created an electronic newsletter that will help accomplish our mission which is to promote school district accountability by improving the training and resources available to California Proposition 39 School Bond Oversight Committees. We believe a newsletter is a great way to keep you informed, educated and updated with our activities as well as accomplish our mission.

We also encourage you to post and comment on our [CaLBOC Blog](#) so that we can increase recognition and engagement by establishing credibility and sharing expertise with the intention of building readers and a community.

We hope you stay tuned!

Sincerely,
Michael Day, *President/Co-Founder*
Anton Jungherr, *Executive Director/Co-Founder*

Mission Statement

What is Our Mission?

To promote school district accountability by improving the training and resources available to California's Proposition 39 School Bond Oversight Committees and educating the state legislature, local school boards and the public about the oversight and reporting powers these Citizens' Bond Oversight Committees (CBOCs) have, and to advocate on a state level, where appropriate, on issues of common concern to all CBOCs.

About CaLBOC

What is CaLBOC?

CaLBOC was formed in 2006 by CBOC members trying to find better training to help them perform their duties. Our first training session was held in San Jose in 2007, and we incorporated in the State of California in 2008. In 2009 we were recognized as a 501(c)3 charitable organization by the IRS.
